

## OPERATING COSTS? THE SAME AS A BIRD'S

The day is coming when you will enjoy relaxation from earth-bound duties in the quiet gliding thrill of your skyborne "Yankee Doodle Two."

Whether sailboating on a sea of goldtipped clouds—reveling in lazy dreams—or streaking with the exhilarating speed of wind across unbounded space, the motorless flight of the Yankee Doodle Two offers you all the spiritual luxury enjoyed by a bird in flight.

Order *your* Yankee Doodle Two *now*. Write for complete details.
